UNDERWRITING REQUIREMENTS

Below is a list of the underwriting information needed to open an underwriting file and determine a bond program. Forms may be found online but we would be happy to review the requested information in another format.

Contractor's Questionnaire

Business Financial Statements for past two years

(if not a CPA year end statement, please send Profit & Loss and Balance Sheet along with the Tax Returns for two years)

Current Work on Hand Schedule

Personal Financial Statement

(Statement should be completed by all owners who own 10% or more of the company. The Surety also requests that the statement be dated concurrent with the company's year end financials.)

Certificate of Insurance

Bank Reference

Resume (if a newly established company)

If you should have questions or need assistance, please do not hesitate to contact our office at 800-535-0006.
